Campus Security & Life Safety **Announces Secure Campus 2023 Awards Winners**

Dallas, Texas, June 12, 2023 – *Campus Security & Life Safety* is happy to announce the winners of the Secure Campus 2023 Awards, which honor outstanding campus security products and services.

This year's awards recognize campus security solutions in 25 categories, including Access Control Software, Artificial Intelligence, Communications Devices, Cybersecurity, Fire/Life Safety, Video Surveillance Hardware and Software, and more.

"Thanks to all of this year's entrants for their continued efforts to establish campuses as safe, secure environments of education and business," said Matt Jones, senior editor for *Campus Security & Life Safety*. "The entries demonstrated the infinite creativity of industry professionals to continue improving past products and developing new ones as needs arise. We'd also like to thank our independent panel of judges for their careful consideration—and congratulations to this year's winners!"

Judging criteria for the 2023 awards criteria included Features, Innovation, User Friendliness, Interoperability, Quality, Design, Market Opportunity and Impact in the Security Industry, Technical Advances, and Scalability. The winning entries are:
